

PROCEDURE FOR THE INVIGILATION OF TESTS

Please note that this process must be followed for all tests

1. One invigilator can invigilate a maximum of 20 learners.
2. Where there is a sole invigilator, he/she must have the facility to summon help without disturbing learners taking the test.
3. Learners should be seated with a minimum gap of 1.25m between them.
4. Learners may only take pens into the examination room and any pencil cases must be transparent. Mobile telephones, pagers and other electronic equipment are not permitted.
5. When preparing your examination room, you should consider making provision for candidates to securely store their personal belongings outside of the room. If this is not possible, determine how bags and other items could be stored within the examination room so that they are out of the reach of candidates and access to them can be monitored by the invigilator.
6. It is suggested learners are seated ten minutes before the start of the Test.
7. A reliable clock must always be visible to learners.
8. The start and finish times must be written up clearly for all to see. Please refer to the times printed on the exam cover sheet (written paper).
9. Test answer sheets must be completed in black pen, test answer sheets completed in pencil are deemed invalid.
10. Invigilators are required to issue each learner with a reference number (centre managers are responsible for allocating reference numbers in the first instance). This number is entered on the test answer sheet and later the SB Skills Test Log. Invigilators must be confident of the identity of all learners taking the test.
11. The Guidance to Learners relating to the test must be read out prior to the commencement of the test.
12. Once the test has started learners may not ask questions about the test. In exceptional circumstances they may seek the attention of the invigilator, for example if they need to use the toilet. Invigilators must not talk to or distract learners during the test.
13. If a learner wishes to leave the room for any reason and intend to return to continue their exam they must be accompanied. The invigilator must always remain with them and ensure that they cannot access restricted material. The learners remaining in the exam room must continue to be invigilated.
14. Any issues of ambiguity as identified by the learner must be recorded on the SB Skills Test Log. These issues must NOT be addressed with the learners at the time of the test.

- 15.No requests for help from learners in relation to the test can be dealt with during the test.
- 16.Learners arriving late for the test should be seated near to the door and the disturbance to other learners kept to a minimum.
- 17.Late learners must not be allowed entrance to the examination room if more than fifteen minutes late. In such cases, a FAIL should be recorded.
- 18.Under no circumstances must the tutor / trainer that has prepared the learners for the test be the sole invigilator.
- 19.Learners must be reminded verbally when there are only ten minutes of the test remaining.
- 20.At the end of the test the learners must be told to stop writing and ensure that their answer sheet is correctly marked with their name and reference number.
- 21.Test papers and test answer sheets must be collected in immediately at the end of the test. The invigilator must check that the learners have completed their details correctly before the learners have left the test room.
- 22.The test answers must not be changed, checked or altered in any way between the time of collection and dispatch for marking.
